HEALTH WARRANTY

Breeder guarantees that Puppy is free of illness and is in good health when it leaves my premises. Puppy will have age appropriate vaccinations, Puppy will also be micro-chipped before going to new home. Puppy will not go to new home any younger than 9 weeks of age. Purchaser agrees to have Puppy spayed/neutered by the age of 10 months unless other specific arrangements have been made and a separate document is signed by Purchaser and Breeder. Puppy’s registration will be mailed to Purchaser once proof of spay/neuter is provided. In the event that something should happen to the puppy you have reserved, you will be given your choice of a refund, OR you may select a different available puppy of same value. This warranty is for the ORIGINAL PURCHASER. Hereditary defect including heart, liver,

and kidney problems found within 30 months from the date of adoption are covered in the warranty. In the event that Puppy is found to have a defect, Purchaser must provide all requested documentation to Breeder from Purchaser's licensed veterinarian. Breeder's veterinarian will review the documents and if necessary examine Puppy to verify the condition, at Purchaser's expense. Once the condition is verified, Breeder will provide Purchaser with a replacement puppy of equal value, if the defective Puppy is returned to Breeder, OR Purchaser can keep Puppy and request a refund for the selling price minus the non-refundable deposit and the original transportation cost of Puppy. The amount of the deposit is specified on the Bill of Sale. All transportation costs for documentation, Puppy, and Purchaser are Purchaser's expense. If the defect is covered by this warranty, Breeder will cover up to \$300 in transportation cost for Puppy and Purchaser. If defect is covered in this warranty, Breeder will also cover veterinarian bills for Breeder's veterinarian to verify the defect. Breeder is not responsible for death of Puppy by any cause. If Puppy should die of unknown causes, an autopsy must be performed, at Purchaser's expense, and the report sent to Breeder's veterinarian. If cause of death was from a defect covered under this warranty, a replacement puppy of equal value will be provided, transportation cost will be Purchaser's responsibility, OR a refund of selling price, less the non-refundable deposit and transportation cost, will be provided. The amount of the deposit is stated on the Bill of Sale. If the cause of death is covered in this warranty, Breeder will cover the cost of the autopsy. If Purchaser wants a new puppy, Breeder will also cover up to \$300 in transportation for the new puppy if Puppy's cause of death is covered. IF NO AUTOPSY REPORT IS PROVIDED TO BREEDER, PURCHASER FORFEITS THE OPTION OF A REPLACEMENT PUPPY OR TO RECEIVE A REFUND OF MONEYS.

If a replacement puppy is provided, Breeder guarantees that Puppy is free of illness and is in good health when it leaves my premises. Puppy will have age appropriate vaccinations. Puppy will also be micro-chipped and spayed/neutered before going to new home. Puppy will not go to new home any younger than 9 weeks of age. Purchaser will have the replacement puppy examined by a licensed veterinarian within 72 hours of adoption. The replacement puppy does not come with a 30 month health warranty.

This warranty is only for the original Purchaser. Breeder is not responsible for Puppy during transportation.

Breeder's liability will never exceed the sale price of Puppy.

PURCHASER AGREEMENT

Purchaser agrees that Puppy will be bought as a family companion/pet or other purpose that is appropriate and legal for an Australian Cobberdog. Purchaser will NOT use or train Puppy for any purpose that will harm Puppy, any person, or any other animal. Purchaser will provide loving, sanitary living conditions for Puppy. Purchaser is responsible for all health care of Puppy after purchase date. It is the Purchaser's responsibility to have Puppy thoroughly examined by a licensed veterinarian and have the microchip verified within 72 hours of delivery of Puppy at Purchaser's expense. Purchaser is required to keep Puppy in good health. This includes but is not limited to proper feeding, exercising, regular veterinarian care, and providing a safe living environment. If Purchaser ever wants or needs to relinquish Puppy, Purchaser agrees to contact Breeder and give Breeder a chance to help Purchaser re-home Puppy, or let Breeder buyback Puppy to re-home or keep Puppy, if Breeder so chooses. (The buyback price may be less than the original purchase price). Purchaser agrees not to surrender Puppy to an animal shelter.

ANY VIOLATIONS OF THIS AGREEMENT WILL CAUSE PUPPY'S HEALTH GUARANTEE TO BE NULL AND VOID.
